WANTS TO KNOW.

At night when I am all alone,
I light my pipe and dream,
The things I see there in the smoke
Are not quite what they seem.

The smoke curls up in wondrous wreaths,
(This dream I hate to spoil)
For old John D. passed out to me,
His share in Standard Oil.

In fact, I dream of many things,
I wish would come about,
But, alas, I'm only happy
Till my pipe goes out.

I'd like to ask some good old soul,
This simple little query,
Who was it that first reached the Pole,
"Doc" Cook or "Bobby" Peary?

BAD CIRCULATION

Causes Piles—External Treatment Won't Cure Them

Free circulation of blood in the lower bowel will cure any case of piles. Piles may be due to constipation or any of a dozen other causes. Dr. Leonhardt's Hem-Roid, the only internal, tablet remedy for piles, opens a free circulation in the bowel and cures the cause.

24 days' treatment is sold for \$1 at J. James Wood & Son's, Maysville, Ky., and is guaranteed fully. Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

"WELCOME, BROTHER ELKS"

During your leisure moments whilst you are in our midst we cordially invite you to drop in on us. We will take much pleasure to show you through a model Men's and Boys' Outfitting Establishment that not only we, but also the citizens of Maysville and Mason county are proud of.

You will not be importuned to buy. We simply want to show you through a home of the best Clothing, Gentlemen's Furnishings and Men's and Boys' Shoes that money can buy.

If you have occasion to don a dress suit, and are not provided, you will find a FULL LINE IN OUR HOUSE, which we rent very reasonable. Cordially Yours,

WEST SECOND STREET.

A committee representing over seven thousand farmers of Southern Italy, who were sufferers by the great earthquake, are now in the Gulf Coast country of West Texas for the purpose of buying from thirty to fifty thousand acres of land on which these farmers propose to settle.

The Central Methodist-Advocate estimates that the membership of the M. E. Church, South, in Kentucky is 94,500, not including traveling and local preachers. It is stated that the membership of other branches of the Methodist Church is between 25,000 and 30,000.

Reports made at the late convention at Pittsburgh show that in a century the Christian Church has secured 1,300,000 communicants, 11,714 Churches, 8,752 Bible Schools and 6,861 Ministers. Nearly a million students are enrolled in the Bible Schools and the total Church valuation is \$29,742,244.

In the sixty years of its existence, the Presbyterian Church at Elizaville has had but two Pastors, Dr. Lapsley and Dr. Henry M. Scudder. In that time the Christian Church at the same place has had twenty-one Pastors and will soon add one more to the list.

The melancholy days are come, the saddest of the year,
Of waiting winds, and naked woods, and meadows brown
and dead;
Heap'd in the hollows of the grove the withered leaves
lie dead;
They rustle to the eddying gust and to the rabbit's tread.

Say, Hunters, can't you just fairly FEEL that wind and see the rabbit scurrying over the fields? It's a little too early yet, but now's a good time to get your

Gun and Shells, Hunting Coats and Leggings.

We have a swell and nobby line this year, complete in every detail, and can fit you out. Come and see.

Mr. Farmer, now's the time to think about the winter's wants. What about a

Good Lantern

With plenty of globes and wicks handy? Need a good,

Heavy Fur Robe?

Did you see the Galloway Cow Fur Robes we have in stock? They are beauties. Our line of Driving and Work

Gloves

Is more varied and complete this fall than usual. If you need a pair, come in.

We'll tell you next week about what things of interest we have for bog killing time. Wait and read.

One of the real treats of the Elks doings was the Band Concert given by Weber's superb band in the Opera-house yesterday afternoon from 3 to 4 o'clock.

It was not generally known that such a musical treat was in store for the public, hence while the audience was small it certainly was appreciative and enjoyed the numbers to the fullest. BETTER a thousand times that we had never raised a pound of tobacco in Kentucky, if it is to make communities fall out, make enemies of life-long friends, cause the destruction of property or the death of a single good citizen.—Winchester Sun-Sentinel.

Every law-loving and peace-loving person in Kentucky is fully agreed upon this proposition. But what's the use?

BR'ER DULEY, our little incident is now closed and it appears that there was merely a misunderstanding between the statements in regard to the amount of pooled tobacco in Mason county. We were perfectly sincere in our report and statement that at that time there was only 51% in the pool and our informant may have been mistaken. Now it is said that over 90% of Mason's crop has been "signed." Let it go at that, and it is to be hoped in a hundred years from now we'll never know what all the fuss and feathers was about.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, a youthful appearance. It is impossible to do this without retaining a luxurious growth of hair. The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

KNIGHTS OF COLUMBUS

Extend the Glad Hand of Elegant Hospitality to the Elks—Beauties of the K. of C. Home

The hospitality being shown by local Council No. 1377, Knights of Columbus, to the visiting and local Elks is genuinely Kentuckian in its cordiality. All day long and until late in the evening its beautiful Home is thrown open and a hearty welcome is shown to all comers. At the outer door the visitor is greeted by some of the Committee in charge and is made to feel that he is no stranger, but a guest. The punch bowl and lunch tables, which are laden with appetizing edibles, are presided over by ladies, whose presence adds a charm to the occasion, whilst music lends its magic spell to the scene. As the caller leaves the building, with a fragrant carnation pinned to his lapel by dainty hands, he is prepared to vote a hearty "Aye" to an acknowledgment of the enterprise, thrift and hospitality of the Knights of Columbus, which has added to our city an ornament, a new field for social enjoyment and intellectual advancement.

As many of our citizens have not yet visited the recently-opened new Home of the local Knights, a brief description thereof may not be amiss. On the Southwest corner of Second and Court streets, a most popular and central part of the city, occupying the second and third floors above the State National Bank, is the Knights of Columbus Home. Entering on Court street, a long staircase, easy of ascent, invites the visitor. An air of welcome bids him to be at home, as he enters the long reception hall in the second story and sees the easy chairs, rockers and other handsome furniture here and there seemingly for his individual comfort. Viewing this hall with its grand dimensions, one cannot but express how well it lends itself to entertainment.

Its spaciousness, as well as its every appointment, reminds one of some old baronial home of the day "When Knighthood Was in Flower."

It is in this hall where the luncheons are spread when the local Lodge gives its occasional social functions.

Leaving the reception hall, we turn into the recreation rooms. They are two in number, communicating with one another. Tables, expressly made for the purpose, upon which cards, chess and similar games are played, are provided. The beauty of the furniture, and yet its diversity, in these two rooms, strikes the beholder. Aloof from these the library and reading room is located. Handsome in every appointment, excellently lighted, well supplied with reading matter, there is a literary atmosphere about this room that makes it a luxury to the book lover, of whom in our local Council there are not a few. On this second floor, remote from the apartments afore described, are the kitchen and toilet.

Ascending to the third floor you are ushered into the billiard room, large, airy, well-lighted, extending the width of the building. Here are two fine pool tables, and the popularity of this apartment is proven by the fact that in the evenings there is seldom a cue not in use.

Crossing the hall we enter the ante-room to the auditorium, or place of meeting. There is nothing in this ante-room which would attract the eye of the visitor, austere in its furnishing and bereft of all ornamentation. Indeed, the furnisher seemed to have made it purposely unattractive to the casual beholder, that he might the more enjoy the splendor of the auditorium, into which it leads and into which we now find ourselves.

The shining hardwood finish of the floors, in which is mirrored every piece of the beautiful furniture, partly covered with three large Turkish rugs, suggests the luxuriance of an Oriental domicile. As one views this room, with the richness of its furnishings and the beauty of harmony of color, especially as brought out by the skillfully executed electrical lightings, expressions of admiration involuntarily escape the lips. It is safe to say, on considering the brief period of the existence of the local Knights of Columbus, that no Lodgeroom in the State of Kentucky surpasses it in beauty and completeness. The local Lodge takes delight and just pride in showing it to all visitors.

Asked by The Ledger Man how long this lavish hospitality of the Knights of Columbus would continue, Grand Knight Frank P. O'Donnell answered: "Until the last visiting Elk has departed from Maysville."

REMEDY

For Women—Lydia E. Pinkham's Vegetable Compound

Noah, Ky. — "I was passing through the Change of Life and suffered from headaches, nervous prostration, and hemorrhages."

"Lydia E. Pinkham's Vegetable Compound made me well and strong, so that I can do all my household work, and attend to the store and post-office, and I feel much younger than I really am."

"Lydia E. Pinkham's Vegetable Compound is the most successful remedy for all kinds of female troubles, and I feel that I can never praise it enough." — Mrs. LIZZIE HOLLAND, Noah, Ky.

The Change of Life is the most critical period of a woman's existence, and neglect of health at this time invites disease and pain.

Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs.

For 30 years it has been curing women from the worst forms of female ills—inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and nervous prostration.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

What would you be willing to give, man or woman, if you knew how to change your gray hairs to the color of youth, and, if you are a woman, to increase the length and vigor and glossy texture of your hair to an extent, what you ardently crave, but have hitherto as your wildest dreams never thought attainable?

John Birkholz, Omaha City, says: "I used Q-Ban Hair Restorer two weeks; the gray hairs I had have reassumed their natural color."

Lucia Mason, this city, says: "Two applications of Q-Ban Hair Tonic stopped my hair coming out, and cured completely an intense itching of the scalp, and removed all dandruff from which I have suffered for years."

We have these testimonials on file in our office signed as above. Q-Ban Hair Restorer and Q-Ban Hair Tonic are not idle dreams, they do the work. If six bottles of Q-Ban Hair Restorer (and it only requires six bottles for the most obdurate case that has ever been treated) fails to bring back your gray hairs to the natural color of youth, your money will be refunded by the druggist of whom you buy the preparation. You know your druggist—ask him. Every gentleman, every well-bred and well-groomed man should use the Q-Ban Hair Tonic; it will save what hair you have; will keep the scalp in healthy condition and will increase the vigor, length and glossiness of the hair. To the needy it is a necessity; to the gentleman or gentleman a fine habit. Ask your druggist.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Heagis-Ellis Drug Co., Memphis, Tennessee."

72 PER CENT. POOLED

**Burley Tobacco Committee Holds
First Meeting at Lexington—
Success in Sight**

The Executive Committee of the Burley Tobacco Society met at Lexington yesterday to hear reports of the progress of 1909 pool from the several counties. Mr. S. A. Shanklin represented Mason county, which reports in the neighborhood of 90% of her 8,000,000 pounds pooled.

Over a half million pounds of Mason county tobacco has been purchased and placed in the pool at 12 cents per pound.

The crops of Thomas A. Keith, Sanford Roff, Walter Matthews, W. H. Robb, O. G. Callahan, Alex. Duke, Fizer Brothers and A. P. Gooding, amounting to over one hundred and fifty thousand pounds, were purchased by the syndicate and placed in the pool yesterday.

A total of over 72% of the entire Burley crop has been pooled.

As the acreage pooled on October 1st was 101,320, the total pooled so far is close to or a little beyond 140,000 acres. While the date for the closing of the pool has passed no tobacco will be refused, of course, by those in charge of the Burley Society, though no more soliciting will be done and no more speeches made.

Incorporation papers will be filed soon, probably in Fayette county, and every safeguard will be thrown around the stock to protect the grower who buys it and the Society from its transfer to possibly unfriendly hands, so that it will always be under the control of the members of the Burley Tobacco Society.

Miss Alice Lloyd, press representative of the Burley Tobacco Society, was also present at the meeting.

Here's Maysville testimony:
The story of a permanent cure:
William H. Paul, 333 East Third street,

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully endorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1908, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."
